## Summary

---

Frontend web-developer with a Computer Science degree. Highly adaptable and results-driven problem solver. With an open-minded and friendly personality, I thrive in collaborative environments, constantly finding better ways to accomplish tasks. I embrace new challenges and always seek opportunities to learn and grow personally and professionally. Let's work together to achieve great things, no matter the circumstances

## Skills

---

**Languages:** HTML | CSS | JavaScript

**Frameworks:** React | Tailwind

**Databases:** MongoDB | Microsoft Access

**Other Tools:** Git | GitHub | Slack | Discord | Microsoft Office (Word, Excel, PowerPoint, Outlook) | Google Forms | WordPress

## Experience

---

### **Tamale Technical University - Tamale, Ghana | National Service Personnel |11/2022- 10/2023**

Job Title: Teaching Assistant:

I was responsible for teaching Computer Literacy to students at the introductory level, ensuring that lessons are engaging and accessible. I was also responsible for organizing quizzes and exams, creating assessment materials, and ensuring fair grading practices while maintaining the confidentiality and security of students' grades. I carefully evaluated students' work, offered constructive feedback, and accurately recorded their grades. I maintained confidential records to monitor student progress and also identified areas for improvement.

### **Talensi District Assembly - Upper East Region, Ghana | Intern | 09/2021 - 12/2021**

As a computer science intern, I offered comprehensive technical support, resolving software and hardware issues, troubleshooting network connectivity problems, and providing guidance on computer usage. My prompt assistance ensured uninterrupted workflow and efficient operations within the district assembly office. It also played a vital role in preparing district files and essential audit documents, ensuring accuracy, completeness, and integrity of records, adhering to protocols and implementing quality control measures. Contributed to transparent and successful audits, promoting overall accountability within the district assembly
